

FOR IMMEDIATE RELEASE

AEVUM Band USA: Revolutionizing Music with A.I. Collaboration

Los Angeles, CA – August 1, 2024 – AEVUM Band USA, an innovative music act created through the collaboration of artificial intelligence and human talent, is set to release their debut rock and pop album September 21, 2024. This groundbreaking project is poised to redefine the music industry and captivate audiences worldwide.

A New Era of Music Creation

AEVUM Band USA is not just a band; it's a movement. By integrating cutting-edge A.I. technology with the creative prowess of its members, AEVUM is pushing the boundaries of what's possible in music. The band's unique sound is a testament to the power of A.I. in enhancing human creativity.

Meet the Band

The band features five talented members: Charmeine, Seraphina, Ariel, Raphael, and Gabriel. Each member brings their own distinct style and energy, creating a dynamic and unforgettable musical experience.

Innovative A.I. Collaboration

AEVUM's music is a product of advanced A.I. algorithms that assist in composition, production, and even performance. This collaboration between humans and machines is setting a new standard in the music industry, making AEVUM a pioneer in the A.I. music and image creation market.

Join the Revolution

AEVUM Band USA invites fans and tech enthusiasts alike to join them on this exciting journey. Follow their YouTube channel at youtube.com/@aevumchannel for exclusive content, behind-the-scenes footage, and updates on their upcoming album release.
